NEXT STEPS

Day 1

Review our website including the FAQ's, submit the short inquiry to receive our franchise kit and complete the qualifying form. Our Director of Franchise Development will contact you ASAP to discuss your area of interest. Together, you'll review the basics of franchising and get answers to your questions. After initial discussions, you will receive our franchisee application.

Week 1

Upon submittal of your qualified application, we'll email the Franchise Disclosure Document (FDD) which details your and our responsibilities and presents the franchise agreement. FDD's are required by law for any company that offers franchises. We suggest that you review it thoroughly and ask questions.

Week 2

After reviewing the FDD, you will submit the requested financial and background information. Our Director of Franchise Development will review your entire application and discuss it with you.

Weeks 3 & 4

Upon approval of your initial application package, you will be invited to attend Discovery Day at Scooter's Jungle headquarters in Orange County, California. At Discovery Day, you will meet representatives from each department who will be supporting you as a franchise owner - operations, marketing, purchasing, real estate, etc. You will also visit a few Scooter's Jungle entertainment centers and learn more about how they operate.

Discovery Day provides both you and the Scooter's Jungle executive team the opportunity to learn more about each other, and decide if there is a mutual fit and the possibility of being awarded a franchise. Your time and investment in this step of the process is critical to making a sound decision.

Prior to attending Discovery Day, we will assign you a local market research exercise that will prepare you for becoming a Scooter's Jungle owner.

Week 6

After attending Discovery Day, our Director of Franchise Development will work with you to finalize your trade area for a single-unit agreement or the territory for a multi-unit agreement.

Weeks 7 & 8

You will receive a franchise agreement for your review and signature. After reading the agreement thoroughly, you will return the signed franchise agreement along with your initial franchise fee. Upon receipt, Scooter's Jungle will award a franchise and welcome you into our community.
